Hi Erin,

It's a big week for [Vintra](#), as we have formally announced our mission to create safer communities, companies and environments for all by leveraging deep learning and computer vision to give the pros in security and public safety spaces the superhuman powers of video analytics. What's next? Seeing through walls, of course! Well, I'm only half-joking. As a company, and on a personal level, we want to thank the customers and partners that have supported us along the way.
